

Quality Policy

MJF Group Ltd work to the principles of and is accredited to ISO 9000:2015 and therefore target continual improvement wherever practical.

The Senior Management within the MJF Group Ltd is committed to operating under the principles of a Quality Management System, designed to meet the requirements of ISO 9001:2015.

Our Environmental and Health & Safety Policies are designed to support this policy, in addition we have certified management systems for both, ISO 14001:2015 and BS ISO 45001:2018 respectively.

We have a five-year business plan designed to grow and develop the Group's original core activities of the supply of office furniture, business relocation and data archiving, to market them as individual services or an integrated one-stop solution through investment in infrastructure and people.

The Company will continue to make available resources to ensure that suppliers and customers are made fully aware of the consequence of their activities in relation to their compliance obligations and legislative responsibilities.

In addition, we aim to understand and meet the needs and expectations of all interested parties within the context of our business environment, seeking to communicate these requirements both internally and externally.

This policy, with its obligations and responsibilities, has been communicated across all levels of the business is both encouraged and practiced.

The Policy is advised to all employees upon appointment, by way of presentation, training and by being permanently displayed on Company premises. It also is communicated to all persons working for or on behalf of the Company and to the public on request.

We are committed to comply with the requirements of the standard and continually improve the effectiveness of the Quality Management System and to support our Policy, we have determined several quality objectives.

The specific business objectives are set out in the Management review meeting minutes. The setting of measurable quality related objectives is incorporated into all aspects of our business planning.

Quality Reviews are undertaken by management at regular intervals when the policy will also be reviewed for continuing suitability.
